Important News

Care About Childcare is now accepting appointments for your **Live Scan Fingerprinting** needs. In order to use CAC services you will need to schedule an appointment. To schedule your appointment please call 801-355-4847.

Things you need to know before your appointment:

- You need to call Child Care Licensing and pay the \$37.00 **FBI** processing fee for each scan that needs to be completed. You can call Child Care Licensing at 801-273-6617 to determine who needs to complete fingerprints and to make a payment over the phone.
- Submit, authorize and pay for the Background Screenings which have a fee of \$15.00 per person- **for those 12 years old and older-** you can call Child Care Licensing at 801-273-6617 to make a payment over the phone.
- When scheduling your appointment with CAC, please tell us the exact name **AND LOCATION** of your program such as: "Center #1" or "Center #2" or if the city it is located in is part of the name i.e. Riverton, Sandy, Redwood etc.

When you come to your appointment you will need to bring:

- A copy of the receipt stating your fees have been paid- there are times we don't see a payment has been made even though it has. A copy from you helps expedite the process.
- State Issued I.D. such as: a Driver's License, Military I.D., or an Identification Card

Hours we are available:

- Monday - Thursday 9:00 a.m. – 4:30 p.m.
- Friday 9:00 a.m. – 1:00 p.m.

REMEMBER by appointment only!

If you choose to use other agencies to complete your fingerprints you may do so.

Below are the instructions and information you will need:

- **By ink:** You will need to hand deliver or mail ONE copy of each card to Child Care Licensing. You can pay the fee at that time or over the phone. There are two options for getting your ink cards to Child Care Licensing:
 - You may **hand-deliver** to **3760 S Highland Drive. DO NOT MAIL TO THIS ADDRESS**
 - To **mail** your ink cards **send them to: PO Box 142003, Salt Lake City, Utah 84114-2003.**
- **Live Scan Site:** If you chose to go to a different location, not CAC, you will need to bring this code with you: **B2086** and give it to the agency doing your scan. This code links your prints to the Department of Health

*If you have any questions feel free to give us a **call-801-355-4847***

Thank you- we look forward to hearing from you soon!

Professional Development System Participant Code of Conduct

1. Punctuality / Attendance: I understand that I must be in class at or before the time scheduled for class to begin in order to obtain credit for the class. If I arrive after the time that class is scheduled to begin, I can use the time that I was actually in attendance for licensing credit, but I will have to repeat the full 2 1/2-hour session to get Career Ladder credit for the course. This includes returning on time from breaks and lunch. Class will begin when the instructor determines that it is time to start. I understand that if I am not present during the entire class period, I will not receive Career Ladder credit for the session, and will have to repeat the full 2 1/2 hour session in order to receive credit for the course.

2. Disruptive Behavior: I will be respectful to all personnel that support the Professional Development System (ie: Care About Childcare/CCR&R staff, URPD/CCPDI staff, OCC staff, etc.). I will not use obscene, profane, threatening, discriminatory, harassing or abusive language. During class, I will be respectful to the instructor and others in attendance during each class session. I will not engage in any conversation or behavior that is disruptive or disrespectful to the instructor or other participants in the class. I will attentively participate in class. I will not text message or make cell phone calls during class time. I understand that I am required to turn my cell phone and/or other electronic devices off or turn them to vibrate during class time. I will limit all cell phone calls to break time or after class time. I will not engage in disruptive private conversations during class time. If I must bring food or drink to class, I will eat quietly and will not allow food or drink to become disruptive or distracting to the instructor or other class participants.

3. Illegal Activity/Health & Safety: I understand that any illegal activity, including behavior that threatens the health or safety of the instructor or another class participant before, during or after class will be cause for my immediate expulsion from class and permanent suspension from participation in the Career Ladder and the Professional Development Incentive, and that such behavior may be reported to law enforcement. I understand that I may be asked to leave a class if my condition prevents me from participating or is disruptive to the class environment.

4. Children: I understand that adult training classes are not a developmentally appropriate environment for children of any age. I will not bring children to class.

5. Class Roll: I understand that in order to receive credit for each class session, I must sign my full legal name on the roll before class begins. I understand that failure to do so will result in my not receiving credit for the class session. I understand that I may not sign the roll for someone else.

6. Confidentiality: I understand that confidentiality is extremely important. I understand that I must keep all names and other identifying information confidential when I am relating a story during class or asking for guidance regarding certain issues. I also understand that it is my responsibility to keep sensitive issues discussed during class in confidence, and not discuss it with family or friends outside of that classroom setting.

7. Refunds: I understand that class registration fees are non-refundable. I understand that if I notify CAC/CCR&R a minimum of three days in advance that I am unable to attend a course for which I am registered, that my registration fee may be able to be credited toward another class. I understand that it is my responsibility to contact CAC/CCR&R to make these arrangements.

8. Non-Compliance: I understand that, in cases of infractions of a minor severity (behavior that has been determined to be disruptive but not illegal), that I will be allowed one issued verbal warning upon the first violation of the above listed rules. I understand that upon the second such infraction, I will be suspended from participation in the Career Ladder and Training and Professional Development Incentive for one year from that infraction date. I understand that upon the third such infraction I will be permanently barred from participation in the Career Ladder and Professional Development Incentive System. I understand that upon the first incident of any violation in which I engage in illegal activity (including threatening or intimidating behavior), that I will be permanently banned from participation in the Career Ladder and Training and the Professional Development Incentive System, and that such action may be cause for intervention by law enforcement and/or other legal action.

unique roles during
disasters,
and when they are well
prepared all Utahns benefit**

The Great Utah ShakeOut will take place April 19th 2018

**Care About Childcare and Child Care Licensing will be
conducting a statewide system drill as a part of this year's event.**

You may be contacted by text or phone soon after the event as Child Care
Licensing and Care About Childcare test the state system.

We encourage you to start by planning your drill

Today you can:

[Register](#) your organization or school to be counted in the ShakeOut Drill, to get email updates, and more.

<https://www.shakeout.org/utah/rr/register/>

Between now and April 19th:

Consider what may happen in a major earthquake and plan what your organization will do now to get prepared, so that when it happens you will be able to recover quickly.

On April 19th at 10:15 am:

Conduct your drill including:

1. Drop, Cover, and Hold On: Have your children, staff, and others present at the time Drop to the ground, take Cover under a table or desk, and Hold On to it as if a major earthquake were happening (stay down for at least 60 seconds). Practice now so they will immediately protect themselves during earthquakes!
2. While still under the table, or wherever they are, have them look around and imagine what would happen in a major earthquake. What would fall on them or others? What would be damaged? What would life be like after? What will your organization do before the actual earthquake happens to reduce losses and quickly recover?
3. Practice what your staff will do after the shaking stops.

After your drill is complete, have discussions about what was learned and incorporate these lessons into your disaster plan.

UNDERSTANDING DEVELOPMENTAL SCREENING AS A CHILD CARE PROVIDER

As a child care provider, understanding child development can help make your daily care of children easier. Here are a few reasons why you should consider developmental screening:

Milestone knowledge. There are a lot of milestones throughout childhood. Regularly reviewing a developmental screening helps you remember what children can and should do at different ages.

Developmental activities. Having a variety of activities isn't easy. By using milestone activities from a screening you not only have more ideas, but promote the progress of the kids you care for.

Individualize care of children. A screening allows you and parents to share how each child is uniquely reaching milestones, which allows you to provide better individualized care.

Improves family partnerships. Developmental screening makes it easy for parents to share their child(ren)'s strengths and areas of concern with you, which helps you improve your relationship.

There are developmental screening tools available for you!

Ages & Stages Questionnaire (ASQ)

For children from birth through age five.

A quick check on milestones in:

- **Communication**
- **Personal-Social**
- **Gross Motor**
- **Problem Solving**
- **Fine Motor**

Ages & Stages Questionnaire: Social-Emotional (ASQ:SE)

Looks specifically at behavioral and emotional development in children from birth to age six.

WANT TO IMPLEMENT THE TOOLS?

If you would like to learn more or partner to offer free developmental screenings to your families, participate in the Care About Childcare training offered on the ASQ-3 and/or ASQ:SE.

Learn more on how the ASQ is useful in your work from the publisher:
<http://agesandstages.com/about-asq/who-uses-asq/child-care-programs/>

Help Me Grow Utah also works in partnership with Child Care Providers throughout the state to provide parents with direct access to developmental screeners at no cost. Visit

Child Care Provider Appreciation Day

This is a special day to recognize child care providers, teachers and other educators of young children everywhere. Started in 1996 by a group of volunteers in New Jersey, National Provider Appreciation Day is appropriately celebrated each year on the Friday before Mother's Day.

The founding organizers saw the need to recognize the tireless efforts of providers who care for children of working parents. Momentum and national support for this event has grown each year.

Care About Childcare at Children's Service Society would like to show our appreciation for child care providers' hard work this past year by inviting you to our 13th annual Provider Appreciation Event!
