

School-Age-Story Stretchers

“READ IT AGAIN!” Is the plea when a child and story connect. Story Stretchers are a means to extend that enthusiasm and better connect children’s books and teaching ideas with other areas of the curriculum. Included in each topic box are a few different storybooks with activities for art, blocks, dramatic play, music & movement, cooking, the library & writing corner, sand & water play, science, math, and manipulative. Each book is S-T-R-E-T-C-H-E-D into the areas which best fit that book. Contents may vary from pictures.
