Care About Childcare at Children's Service Society Course Cancellation Due to Weather or Disaster Policy

CAC at CSS will only cancel a course due to extreme weather, disaster or other safety/emergency situations. If a course is cancelled there will be a recording on the voice mail system of the Professional Development Coordinator's line at: 801-326-4379 stating that the course has been cancelled. The decision to cancel a course due to weather conditions will occur approximately at 4:00 pm for weekdays and by 7:00 am on Saturdays. The instructor will be notified of the decision and an attempt to notify the course participants that a course is cancelled will be made by the PD Department by telephone and e-mail.

The decision will not be made before 4:00 pm for weather reasons. Cancelled sessions of courses will be rescheduled as soon as possible. Participants will be notified when the make-up session for a cancelled course has been scheduled.

Professional Development System Participant Code of Conduct

1. Punctuality / Attendance: I understand that I must be in class at or before the time scheduled for class to begin in order to obtain credit for the class. If I arrive after the time that class is scheduled to begin, I may be able to use the time that I was actually in attendance for licensing credit, but I will have to repeat the full 2 1/2 hour session to get Career Ladder credit for the course. This includes returning on time from breaks and lunch. Class will begin when the instructor determines that it is time to start. I understand that if I am not present during the entire class period, I will not receive Career Ladder credit for the session, and will have to repeat the full 2 1/2 hour session in order to receive credit for the course.

2. Disruptive Behavior: I will be respectful to all personnel that support the Professional Development System (e.g.: Care About Childcare staff, URPD staff, OCC staff, etc.). I will not use obscene, profane, threatening, discriminatory, harassing or abusive language. During class, I will be respectful to the instructor and others in attendance during each class session. I will not engage in any conversation or behavior that is disruptive or disrespectful to the instructor or other participants in the class. I will attentively participate in class. I will not text message or make cell phone calls during class time. I understand that I am required to turn my cell phone and/or other electronic devices off or turn them to vibrate during class time. I will limit all cell phone calls to break time or after class time. I will not engage in disruptive private conversations during class time. If I must bring food or drink to class, I will eat quietly and will not allow food or drink to become disruptive or distracting to the instructor or other class participants.

3. Illegal Activity/Health & Safety: I understand that any illegal activity, including behavior that threatens the health or safety of the instructor or another class participant before, during or after class will be cause for my immediate expulsion from class and permanent suspension from participation in the Career Ladder and the Professional Development Incentive, and that such behavior may be reported to law enforcement. I understand that I may be asked to leave a class if my condition prevents me from participating or is disruptive to the class environment.

4. Children: I understand that adult training classes are not a developmentally appropriate environment for children of any age. I will not bring children to class.

5. Class Roll: I understand that in order to receive credit for each class session, I must sign my full legal name on the roll before class begins. I understand that failure to do so will result in my not receiving credit for the class session. I understand that I may not sign the roll for someone else.

6. Confidentiality: I understand that confidentiality is extremely important. I understand that I must keep all names and other identifying information confidential when I am relating a story during class or asking for guidance regarding certain issues. I also understand that it is my responsibility to keep sensitive issues discussed during class in confidence, and not discuss it with family or friends outside of that classroom setting.

7. Refunds: I understand that class registration fees are non-refundable. I understand that if I notify the host training agency a minimum of three days in advance that I am unable to attend a course for which I am registered, that my registration fee may be able to be credited toward another class. I understand that it is my responsibility to contact the host training agency to make these arrangements.

8. Non-Compliance: I understand that, in cases of infractions of a minor severity (behavior that has been determined to be disruptive but not illegal), that I will be allowed one issued verbal warning upon the first violation of the above listed rules. I understand that upon the second such infraction, I will be suspended from participation in the Career Ladder and Training and Professional Development Incentive for one year from that infraction date. I understand that upon the third such infraction I will be permanently barred from participation in the Career Ladder and Professional Development Incentive System. I understand that upon the first incident of any violation in which I engage in illegal activity (including threatening or intimidating behavior), that I will be permanently banned from participation in the Career Ladder and Training and the Professional Development Incentive System, and that such action may be cause for intervention by law enforcement and/or other legal action.

Child Care and Americans with Disabilities Act

The Americans with Disabilities Act (ADA) is a federal civil rights law that Congress passed in 1990. Among other things, the ADA prohibits discrimination by child care centers and family child care providers against individuals with disabilities.

The ADA requires that child care providers not discriminate against persons with disabilities on the basis that they provide children and parents with disabilities with an equal opportunity to participate in the child care programs and services.

The ADA requires that child care providers provide an equal opportunity for each child to participate in the child care program and services.

For further information and details visit ada.gov. On that website you can find a list of common questions regarding child care and ADA.

Training Opportunities from the Child Care Licensing Program

All classes are free. Child Care Licensing offers several different types of trainings. There are no costs for attending any of the classes offered. However, pre-registration is required. If no one is registered within 48 hours, the class will be cancelled. Participants may register by contacting any of the following persons:

- Call or text Charlotte Woodward 801-828-8497 or email at cwoodward@utah.gov

Classes are held at venues independent of the Child Care Licensing Program.

New providers are required to complete a New Provider Training. These classes review the application process and the steps required to obtain a license. These classes are general classes that can be attended by any provider seeking a license. All New Provider Trainings will be offered as an online class only.

New center directors are required to attend a New Center Director Training. This class reviews what the expectations are for compliance with the rules and the responsibilities of the directors.

No children are allowed in classes. These trainings are not conducive to children and are geared for adult learners. Children may be disruptive and make it hard for others to listen. Please make other arrangements for your children.

MANY ADOPTEES STRUGGLE WITH ISSUES RELATING TO THEIR ADOPTION
You are not alone.

"Lots of people want to know about where their produce comes from and how it was grown... so why is it so hard to understand that lots of adopted people want to know the same things about themselves."

Provider Appreciation Day

06-13-19

THIS IS THE PLACE HERITAGE PARK

Child Care Provider Appreciation Day is a special day to recognize child care providers, teachers and other educators of young children everywhere. Started in 1996 by a group of volunteers in New Jersey, this day is appropriately celebrated each year on the Friday before Mother's Day. The founding organizers saw the need to recognize the tireless efforts of providers who care for children of working parents. Momentum and support for this event has grown each year.

During the month of May many professional organizations support providers by offering an opportunity to celebrate them. Care About Childcare at Children's Service Society has been part of this Child Care Provider celebration for the last ten years with an event hosted especially for them. Due to weather constrains, our event is held in early June to ensure better weather and temperatures.

This a day to celebrate, educate and support those that care for our children. Children participate in a petting zoo, ride a pony, play on a pirate ship, ride a train, or play in the splash pad (weather permitting).

We're looking forward to seeing you this year!

Watch the mail towards the beginning of May for your **CERTIFICATE OF APPRECIATION** and your invitation to a free, fun packed day for you and the children you care for!
