# EMPLOYER CHILD CARE STARTUP GRANT

## Allowable Expenses

## CHILD CARE PROVIDER

As a child care Provider, you have the opportunity to partner with a local business to support employers and employees with quality childcare

## BUSINESS STRATEGY

- Grant will provide funding to quality child care programs across the state of Utah
- Consistent Program Enrollment
- Community Recognition
- Program growth
- Increase Child Care Quality System (CCQS) rating

## Eligibility Requirements

- Willing to provide quality child care
- Either new child care provider startup costs or established licensed child care provider
- Willing to form a contract with a local business for child care.
- Willing to allocate slots to partnered business
